**WHO WILL ATTEND:** Arizona Correctional Educators, Inc. (A.C.E.) is a non-profit association whose mission is: *To advocate for excellence in correctional education by providing high quality services and resources for our members.*

Correctional educators assist in the reduction of recidivism and play an integral part in lowering crime statistics. Arizona's correctional and alternative educators contribute their time and energy on behalf of incarcerated men and women, and are vital to the rehabilitation process by which criminal offenders can gain dignity, respect and self-esteem.

This year's event will be held **May 30 – June 1, 2012 at the Tempe Mission Palms Hotel in Tempe, Arizona.** Over 250 participants are expected to attend including administrators, educators and staff from federal, state and tribal prison systems, county probation departments, juvenile detention facilities, charter schools, community colleges and other agencies and schools that work with at-risk youth and adults. This symposium is an excellent opportunity for you to showcase your product to a wide network of professionals.
